Disclaimer

Coconino County Road Chip Seal Projects are possible because of voter approval of **Proposition 403: The Road Maintenance Ballot Measure** in November 2014. Chip Seal projects listed here are in Lane Miles. Project schedules are subject to change based on weather and other variables that include seasonal snow severity, unanticipated road/bridge failures, new mandated programs, response to natural disasters, economic downturns, commodity cost fluctuations and further reductions in Highway User Revenue Funds (HURF). All projects listed are for County maintained roads and have been selected based on a variety of criteria including current road conditions.

2016 Chip Seal

For more information on these projects, visit www.coconino.az.gov/CountyRoads.
