POLICY NAME: Substantive Policy for Residential Strawbale Construction

POLICY NO: **BD-2016-02**

PURPOSE: To accept the IRC 2015 Appendix S and corresponding code sections as building code for residential strawbale construction

BACKGROUND:

The 2015 International Residential Code included an appendix, Appendix S, for Strawbale Construction. This was the first time a building code included strawbale construction as a recognized building material. Appendix S now supercedes the previous Coconino County Strawbale Guidelines.

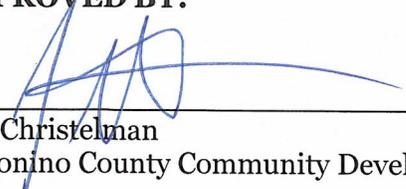

POLICY:

The 2015 IRC Appendix S, in its entirety, as well as corresponding 2015 IRC code sections, will be used as the building code for residential strawbale construction.

ACCESS:

This substantive policy statement is available for inspection at the Community Development office or on the Coconino County website: www.coconino.az.gov.
