Resource List

Director

This list is provided as a courtesy to the general public but is not an endorsement and provides no warranty or assurance of quality by Coconino County Health Department (CCPHSD) or the services or products that any listed industry member may provide. Other qualified contracting companies not listed above may also exist. It is recommended that you contact more than one provider for bids. It is the property owner's responsibility to verify that the person they hire is qualified to install septic systems and has a current license with the Arizona Registrar of Contractors. CCHD does not monitor the current status of professional license or certification.
