***A team that our
employees are
proud to be on.***

Preferred is an owner-operated proppant company committed to serving the oil and gas industry with the highest quality silica and resin-coated sands. Preferred was born of the growing needs of our clients for new technologies in proppant coatings to meet rapidly evolving well requirements, environmental concerns, and a changing regulatory environment. Preferred has developed an innovative, environmentally-friendly coated proppant designed to meet the full range of the oil and gas industry needs.

Preferred's perspective on company culture permeates every facet of our business; our foundation lies in the spirit that binds our collaborative mission: a balance of family, work, charity, and individual pursuits. Our dedication to the customers to whom we serve, the communities in which we work, and our individual employees have propelled us to the forefront of the industry. We currently operate mines in Arizona, Minnesota, Nebraska, Wisconsin and Canada.

Preferred is now hiring for the following positions:

Administrative Assistant

Shift Supervisors

Production Supervisor

Operators

Maintenance Coordinator

Shift Mechanics

Material Handlers

QC Technicians
