

Recycling in Coconino County

City of Flagstaff

Appliance Collection

Appliance Collection Service is free to residential customers with 90 gallon service while there is a fee charged to businesses. The units that are collected will be recycled. Collections must be scheduled in advance.

The City accepts the following appliances: dishwashers, dryers, freezers, ovens, refrigerators, stoves, washers, and water heaters

Compact Fluorescent Lamps (CFLs)

It is important to recycle CFLs because the bulbs contain a trace amount of mercury, and if disposed of inappropriately, released mercury vapor can compromise ecological health. If a CFL breaks in your home, don't worry, simply open your windows, shut off any central air systems, and let the room air out for 15 minutes before you clean it up.

Burned out CFLs can be dropped off at the Hazardous Product Center at Cinder Lake Landfill, HomCo Ace Home Center, and Home Depot.

General Residential and Commercial Collection

The following materials are accepted: cardboard; paper; steel, tin, and aluminum cans; paperboard; plastics #1-7.

90-gallon containers are available for curbside pickup while larger two, four, and six cubic yard containers are available as well.

Glass Recycling

Glass must not be included with the general recycling. Glass can be dropped off at designated receptacles throughout the City of Flagstaff, including the Materials Recovery Facility at 1800 East Butler. Coconino County residents can drop off glass at the Cinder Lake Landfill.

Green and Wood Waste

All City of Flagstaff residents that have 90 gallon residential trash and recycling service are eligible to have yard waste collected as well. The collection runs through spring and summer months, and chipper trucks follow the same schedule as Bulk Trash Collection. Waste should be piled neatly parallel to the street. Larger branches and roots can be dropped off at Cinder Lake Landfill to be mulched on site.

Hazardous Materials

The City of Flagstaff website provides a table listing all hazardous materials and where they can be dropped off. The majority of common hazardous materials can be taken to the Hazardous Product Center, but refer to the link to be sure. The hazardous materials on this page include some construction/building waste such as asbestos, electrical equipment, gardening products, paints and painting products, and light bulbs. Please visit the City website for more details: <http://az-flagstaff2.civicplus.com/index.asp?NID=1058>

Move-In Box Collection

Residents with 90 gallon collection who have recently moved may schedule a one-time pick up of all moving boxes.

Coconino County

Coconino County provides recycling collection at its solid waste transfer stations throughout the County. Recyclable materials are accepted free of charge. Coconino County's staffed facilities accept cardboard, newspaper, magazines, metal cans, small appliances, white goods, junk mail, aluminum, #1 through #7 plastics, and chip board. Glass is not accepted. A recycling information flyer is available at all manned facilities.

County Transfer Stations

The following transfer stations accept the recyclable goods listed above:

Leupp Transfer Station (928) 686-3227

Open Sunday through Friday 8:00 am – 12:00 p.m. The site contains 40 cubic yard open-top waste bins, one 40 cubic yard recycle bin, and a 55 gallon ash bins.

Long Valley Transfer Station (928) 477-2967

Open Friday and Saturday 8:00 a.m. – 4:30 p.m. in the winter and Thursday through Monday 8:00 a.m. – 4:30 p.m. in the summer. The site has a waste compactor with a 40 cubic yard compactor bin. There are also two 40 cubic yard open-top waste containers, a bin for residential recyclables, a waste tire bin, and some ash barrels.

Mormon Lake Transfer Station (928) 526-2735

Open Sundays 9:00 a.m. – 4:00 p.m. The site has open-top waste bins, a white goods and scrap steel bin, a bin for residential recyclables, and ash barrels.

Tuba City Transfer Station (928) 283-5707

Open Monday through Friday 9:00 a.m. – 6:00 p.m. and Saturday and Sunday 9:30 a.m. – 4:30 p.m. The site has a waste compactor unit with a 40 cubic yard compactor bin. There are also two 40 cubic yard open-top waste bins, a bin for residential recyclables, a 40 waste tire bin, and some ash barrels.

Willard Springs Transfer Station (928) 286-1866

Open Sunday and Monday 9:00 a.m. - 3:00 p.m. in the winter and Friday through Monday 9:00 a.m. - 5:00 p.m. in the summer. The site has a waste compactor, two open-top waste bins, a recycle bin, a white goods and scrap steel bin and ash barrels. This site also offers a fenced ½ acre forest material collection and burn area.

Non-County Facilities

County residents may bring their recyclables to the following facilities:

City of Flagstaff Cinder Lakes Landfill (928) 527-1927

Open Monday through Friday 7:00 a.m. – 4:45 p.m., Saturday 7:00 a.m. – 4:15 p.m.

City of Williams Transfer Station (928) 635-9108

Open Tuesday through Saturday 8:30 a.m. - 3:30 p.m.

Page Transfer Station (Allied Waste Services) (928) 645-8829

Open Tuesday through Saturday 8:00 a.m. - 4:00 p.m.

This facility serves the needs of residents of the northern-most part of the County (LeChee area) and is privately owned and operated by Allied Waste Services.

Hazardous Materials

Hazardous Materials, including some construction materials may be taken to The Hazardous Products Center (HPC) at Cinder Lake Landfill, operated by the City of Flagstaff. For accepted waste and more information call (928) 527-9005 or visit the City of Flagstaff's website: <http://az-flagstaff2.civicplus.com/index.asp?NID=1058>
