Coconino County Senior Services, 2625 N. King St, Flagstaff, AZ 86004

## Summer 2009

We're focusing on Williams this issue; they have a vital volunteer program at the senior center, a vital Wii bowling league and pool teams.

### Ed Payne, 96 years young and volunteer chairman of Senior Services Putting in the Pines golf tournament June 26<sup>th</sup> in Williams

You're never too old to contribute your time and talents as Ed Payne has proved. Ed just turned 96 in July and spends each morning at the golf course in Williams and each noon time socializing at the Bill Williams Senior center. Golfing since the age of 16 Ed is a warm and friendly fixture in Williams.

In memoriam Nick Lopriato 1942-2009

Nick (left) loads up winter meals with help from the Williams PD

Our warm and friendly meals on wheels/senior trip driver Nick passed away after a short illness in June. We'll miss his enthusiasm and delightful personality. He loved people and thoroughly enjoyed helping the Williams area seniors.

We have need for:

1. Friendly calling & 2. friendly visiting for homebound seniors or those alone during the day;
3. Shopping for seniors
4. Driving for meals on wheels or 5. special trips
