Date: December 30, 2010

County Parks & Recreation Announces New Sledding Opportunity!

— *Fort Tuthill County Park* —

Flagstaff, Az. – Coconino County Parks & Recreation is pleased to announce the opening of a new sledding opportunity at Fort Tuthill County Park. The new “kiddie” sled hill is intended for young children, and includes open, flat areas to make snowmen.

Other amenities include a snowshoe trail, cross-country ski trail, free parking area (accommodates approximately 50 cars), picnic tables, trash cans and a portable toilet. There is also an information kiosk that contains the Flagstaff Convention & Visitors Bureau Winter Recreation Opportunities map, and information about other snow play and winter recreation areas throughout the greater Flagstaff area.

Visitors are encouraged to bring their own sleds, which are not provided at the sled hill. Parents are asked to supervise their children closely, as the sled hill is not staffed.

The kiddie sled hill is available for use during park hours, 6:00 a.m. to 10:00 p.m., seven days a week. Ft. Tuthill County Park is located off I-17 at Exit 337. The sled hill is located just off the north entrance to the park (see attached map).

For more information, call the Parks & Recreation office at (928) 679-8000 (Monday-Friday, 8:00 a.m. to 5:00 p.m.; closed on holidays).
