# Background

## Prior Community Health Improvement Plan (CHIP) Community Stakeholder Meetings in 2013

### ❖ **Key Points:**

- Health District viewed as the convener and facilitator of the local health system
- Regularly scheduled meetings are needed
- Collaboration will be required into the future

### ❖ **Challenges**

- Goals and strategies in current CHIP reflect activities of the Health District instead of the entire system.

# What is Public Health

Public Health is:

“What we as a society do collectively to assure the conditions in which people can be healthy.”

Institutes of Medicine, 1988

# Defining the System

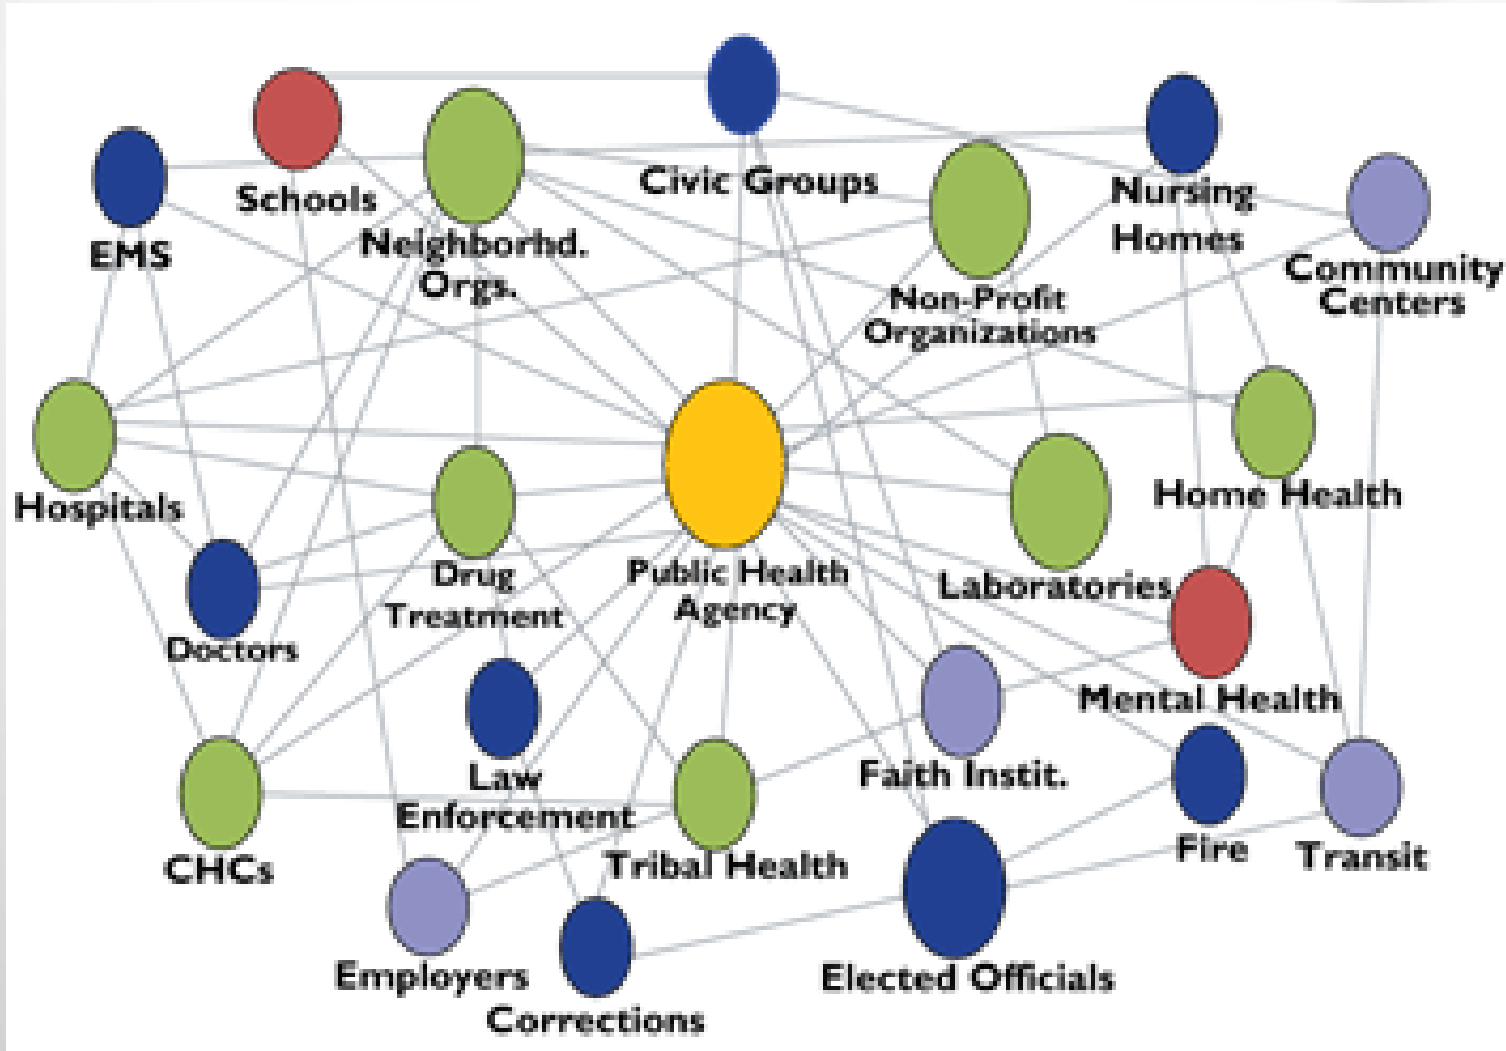

All public, private, and voluntary entities that contribute to the delivery of public health services. (CDC)

The Public Health System includes:

- ❖ Public health agencies at state and local levels
- ❖ Healthcare providers
- ❖ Public safety agencies
- ❖ Transportation
- ❖ Community Development/Planners
- ❖ Human service organizations
- ❖ Faith-based organizations
- ❖ Education and youth development organizations
- ❖ Recreation and arts-related organizations
- ❖ Economic and philanthropic organizations
- ❖ Environmental agencies

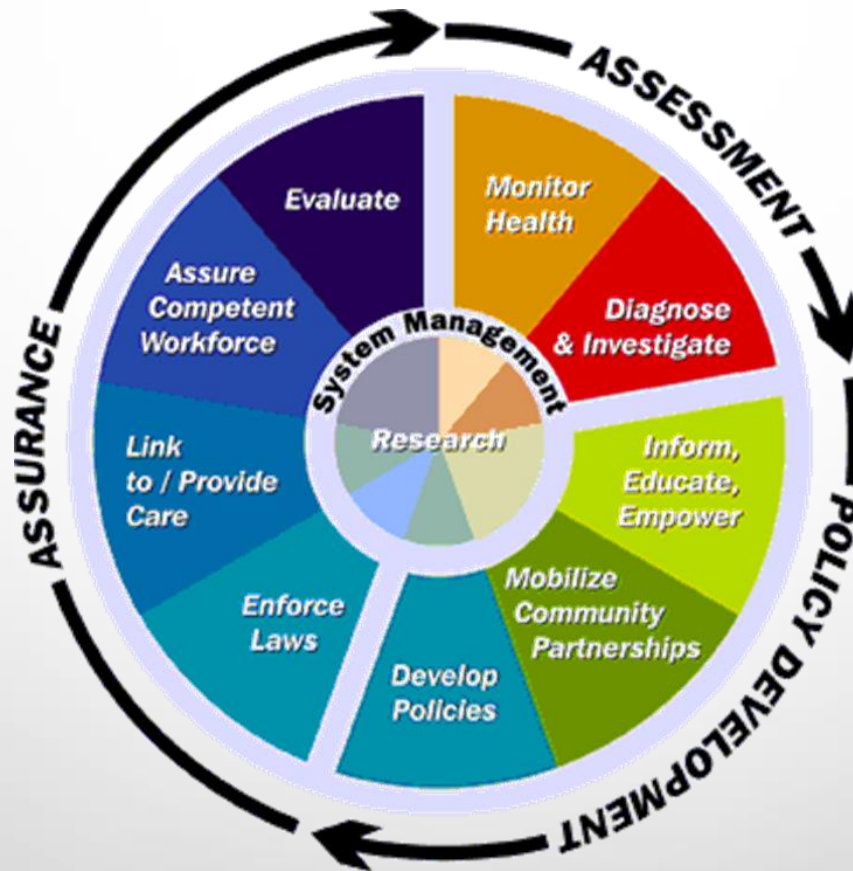

# Public Health System

# 10 Essential Public Health Services

The 10 Essential Public Health Services describe the public health activities that all **communities** should undertake.
