

Bellemont Transit Opportunities

- Overview of topics for today:
 - Transportation and affordability
 - Vanpool
 - Rideshare
 - Potential for bus service to Bellemont
 - Transportation challenges for aging in place
 - Reverse commute

Getting you where you want to go

Affordability

- Housing + Transportation = Affordability
 - No more than 50% income
- \$50/ month for commute gas only from Bellemont to Flagstaff at current prices
- \$12,713 in annual transportation per HT Affordability Index
 - 25% of income
 - 15% recommended

Getting you where you want to go

Vanpool

- New public transportation option
- Ideal for groups of 5 making commutes of 12+ miles
- Like a Carpool except
 - Riders are drivers, routes and rules are established by the group
- **Designed to serve commuters only**

Quote is valid for 30 days from 4/13/16 and is based on approximately 484 monthly commute miles. Allocates 16 miles a month for non-commute use. Limited to authorized drivers

*Monthly lease includes: Scheduled and unscheduled maintenance, 24 hr. roadside service/towing, loaner (if needed) commercial grade insurance, Guaranteed-Ride-Home program and additional miles for non-commute use. Limited to authorized drivers of the vanpool

** NAIPTA subsidy subject to change. It is not guaranteed from year to year

For comparison: fuel alone for single occupant commuter @ 25 MPG = \$42.00 a month at current fuel prices. Source www.gasbuddy.com date of quote

AAA's annual "cost of driving" survey calculates total personal vehicle expenses at \$0.58 per mile or \$281.00 a month for an average size sedan with this commute (fuel, maintenance, insurance and depreciation factored in) see link below for more detailed costs for your vehicle type:

<http://piks.nl/r6>

Vanpool lease can be terminated at any time with thirty days written notice

Rideshare

Share Economy:

- New app-based platforms
- No guarantee
- Split costs between rider and driver
- Minimal government costs to procure
- Can be high marketing/awareness campaign costs

Start your journey and join the trusted gobyRIDE rideshare community

Download on the App Store | GET IT ON Google Play

gobyRIDE's advanced trip matching algorithm will find you a ride to share!

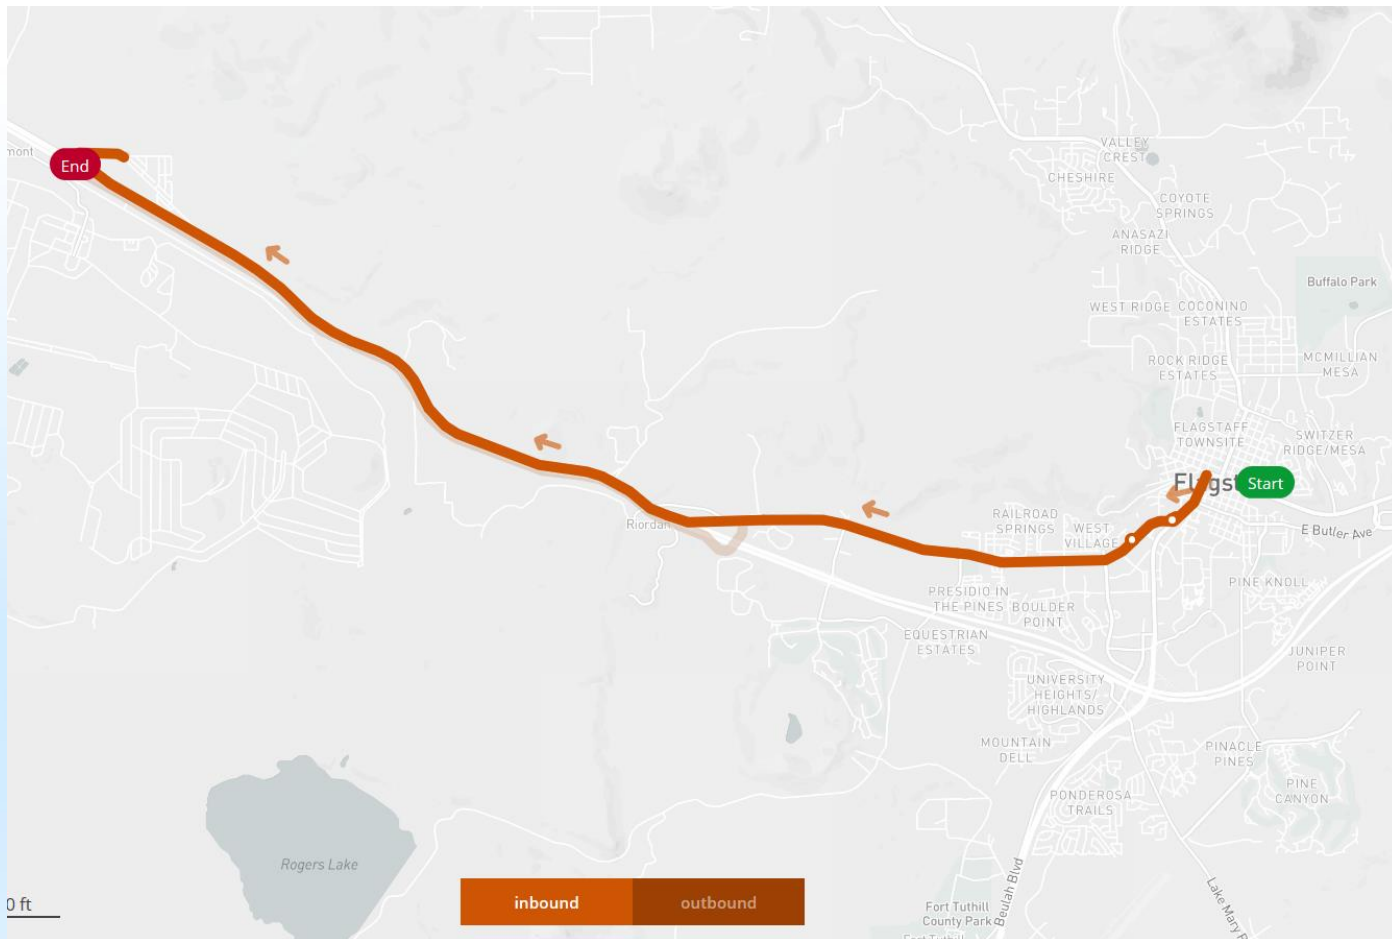

- 1. SHARE RIDES**
Drivers – Find passengers to join your posted trips. Search through trip requests for passengers to share the trip cost.
Passengers – Search for drivers who are offering rides. Post your trip request for drivers to find.
- 2. EARN POINTS**
Drivers and passengers automatically earn points by their actions.
Whether you're posting trips, completing trips or sharing to social media, we make it all fun, convenient and really easy.
- 3. GET REWARDS**
It's a snap to convert your points into great rewards offered by gobyRIDE'S local and national reward partners.
gobyRIDE truly is rewarding ridesharing!

 40.0% minority

1 bus operating 4 hours per weekday is approximately \$68,000/ year

Getting you where you want to go

Aging in Place

- Specialized transportation services
- Taxis cost \$50+ round trip
- Options:
 - Rely on neighbors
 - Miss appointments
 - Social isolation
 - Call 911 for transport to town
- Agencies working on issues: Fire department, FMC, North Country, NAIPTA, County, NAU, NACOG

Getting you where you want to go

Reverse Commute

- Will Bellemont residents staff new commercial and industrial sites or will they be commuters?
- Could new land uses mean transportation needs in both directions?
