March 25, 2020

County adopts new office and building procedures

County services will remain available

FLAGSTAFF, Ariz. – Coconino County will be changing building entrance procedures and staffing to help mitigate the spread of COVID-19. All county departments will continue to provide statutory and critical services. Starting immediately, the County office changes will lessen direct person-to-person contact to protect county employees and the public.

County employees who do not have direct interaction with the public will also begin tele-commuting.

The public is encouraged to call county offices prior to entering a county building for procedures on face-to-face meetings and accessing services.
