## WE ARE PLEASED TO SHARE THE FINAL FLAGSTAFF REGIONAL TRAIL STRATEGY.

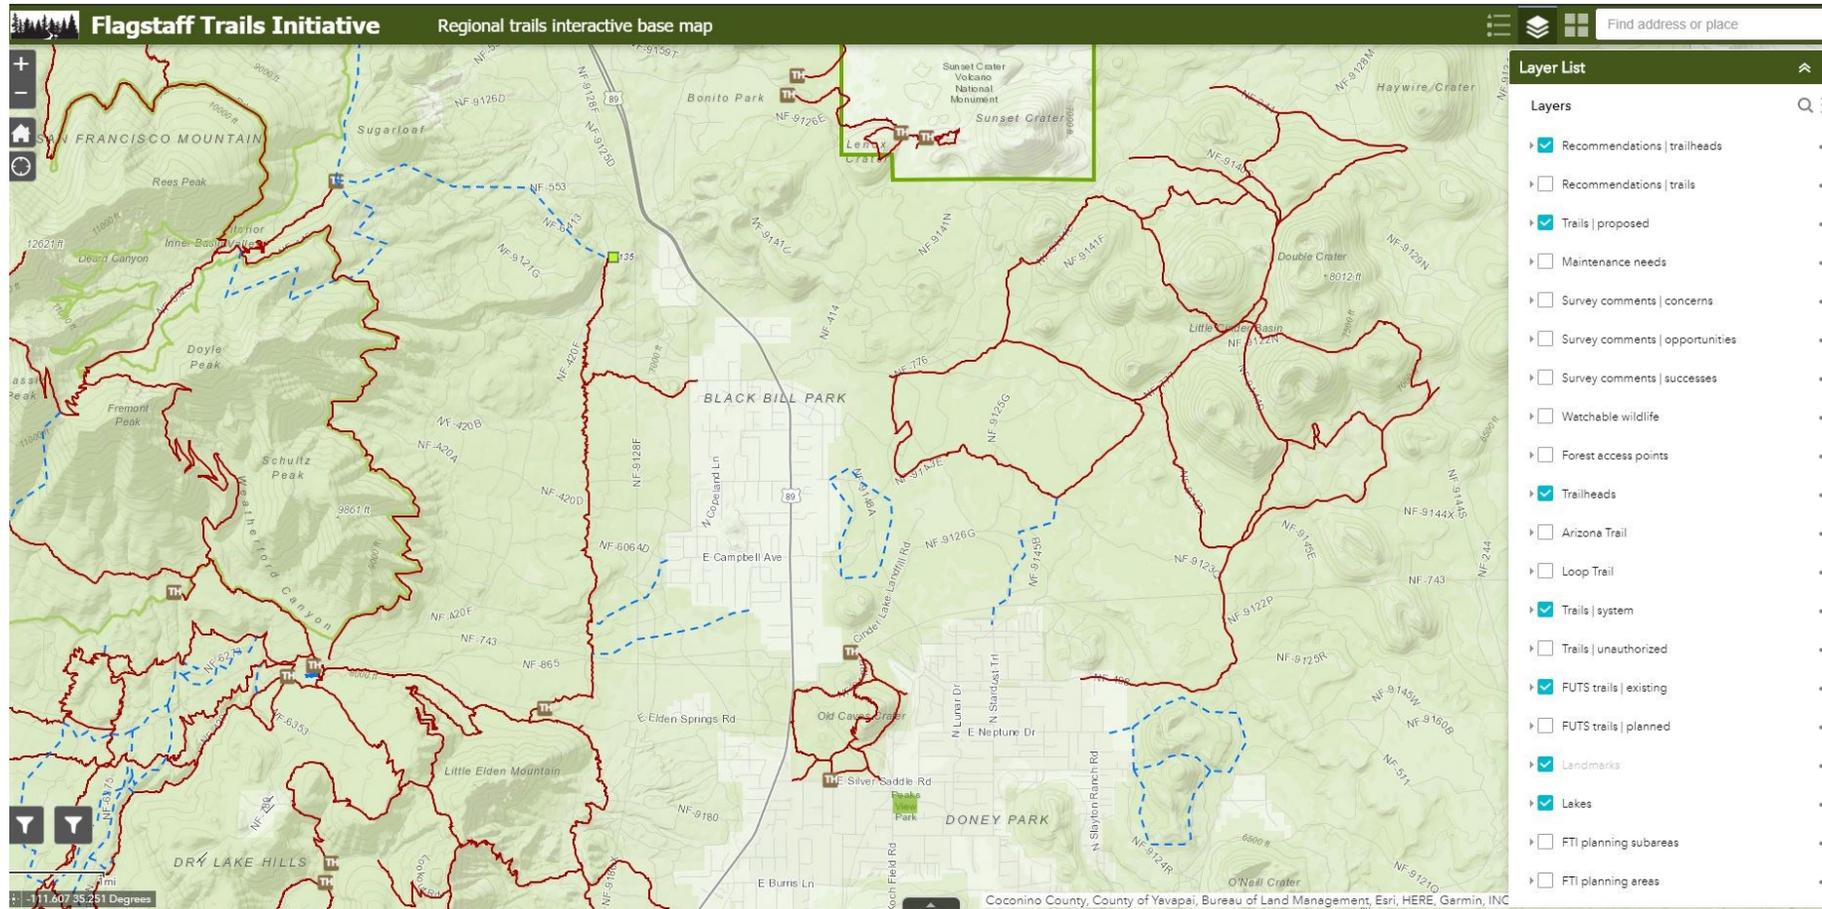

The Strategy represents two years of collaborative work. We want to offer a special thanks to all the volunteers and partners who donated their time and energy to pulling this vision together.

How to access it:

- [download the final strategy report](#)
- [read an executive summary](#)

# FTI's thoughts for the East Side of Flagstaff

# Trails (and related infrastructure) Planning process

- Idea! This can come from Internally or externally
- Investigation and vetting of the idea
- Prioritization – Internal decision to move forward with the idea
- NEPA- National Environmental Policy Act (the environmental review)
- Decision to accept/change/reject idea founded in the Enviro Analysis
- Implement (need \$ and people time)

# Construction Costs & construction timelines

- Conservation crew - \$6500 for 4 days/ \$13K for 8 days
- Heart Trail- Total cost of around 200K for 5 miles of trail
- Timelines- It Depends! On trail class and landscape
- Good soil/terrain = 500' w/ 5 people in a day.
- Steep rocky terrain = maybe 50' w/ 8 people on a good day.

# Maintenance - Trails

- Trail Crew
- Conservation Corps
- Volunteers

# Getting Involved!

- Flagstaff Trails Initiative
- Responding to MEDL Scoping and future public comment periods
- Volunteer Trail Events
