

Having trouble finding ramada reservations on your **mobile device**?
Here's a quick fix!

Navigate to CocoRec from the County's website, coconino.az.gov/parks on your mobile device.

Note that there is no link for ramada reservations on the image to the left. Let's change that real quick.

Start by clicking the menu button in the upper left corner (highlighted with a red box).

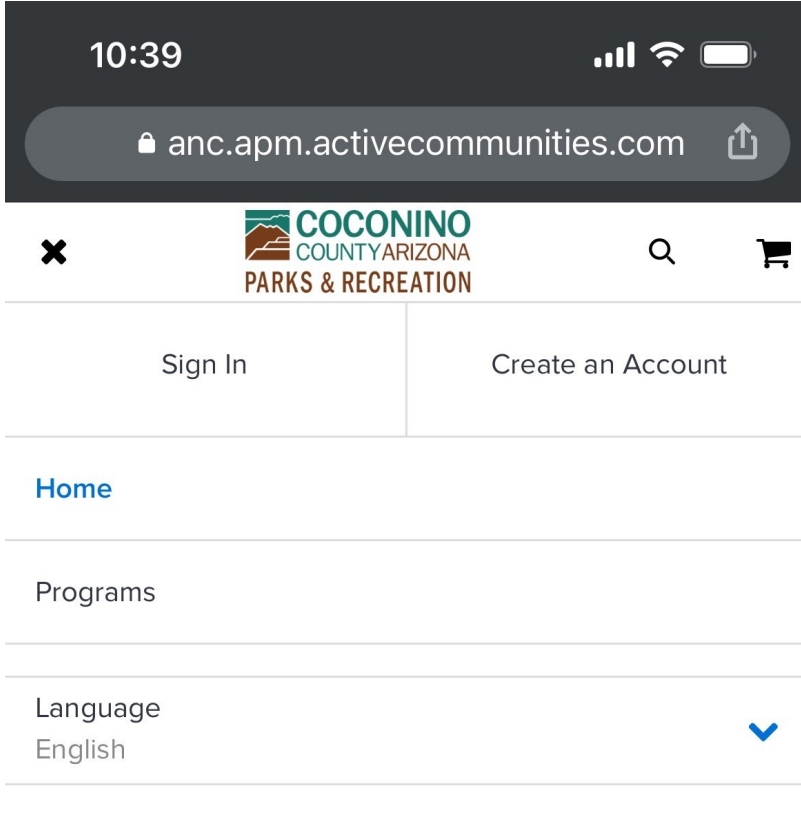

Coconino County Parks & Recreation

2446 Fort Tuthill Loop

Flagstaff, AZ 86005

Email: parksrec@coconino.az.gov

This is the menu that pops up after clicking those three lines. Head to the bottom of that page and click on “full site”.

In the mobile site, unlisted modules are not supported.
For more information, go to the [full site](#).

You should now see that Ramada Reservations are available on mobile! Click the bottom button to begin your reservation.

You can also make a ramada reservation by filling out the fillable PDF available at coconino.az.gov/parks/ramadas or by going to the Parks & Rec Office, located at Fort Tuthill County Park, during regular business hours.
