

**Slayton Ranch Road – Rio de Flag Crossing  
Improvement Project:  
Meet in the Street on June 14, 2023**

## **Slayton Ranch Road – Rio De Flag Crossing Improvement Project: Meet in the Street on Wednesday, June 14, 2023**

Dear Slayton Ranch Road-Area Resident:

The Coconino County Public Works Engineering Division would like to invite you to a *Meet in the Street* for you and your neighbors to discuss the progress of the **Slayton Ranch Road – Rio de Flag Crossing Improvement Project**, which is currently underway. This meeting will be held as follows:

**Date: Wednesday, June 14, 2023**

**Time: 6:30 p.m.**

**Location: Just north of the project area at Slayton Ranch Road & the Rio de Flag crossing**

**Important: As southern access to Slayton Ranch from Townsend-Winona Road remains closed during construction, please access this area via Neptune Drive to the north.**

This project will replace the crossing that washed out on March 24, 2023 due to heavy snowmelt flows in the Rio. It includes a 4'x12' cast-in-place concrete arch structure under Slayton Ranch Road at the Rio de Flag crossing along with headwalls and inlet & outlet protection. Once the new arch structure is installed, the damaged portion of Slayton Ranch Road will be reconstructed and reopened. Construction information and updates are being posted regularly to the project's web page, which can be found at [www.coconino.az.gov/RoadProjects](http://www.coconino.az.gov/RoadProjects) or by scanning the QR code to the right.

We hope that you can attend our *Meet in the Street* to learn more about this project from the Coconino County Public Works Engineering Division. If you have questions, then please call County Public Works at 928-679-8300 or via email at [countyroadsinfo@coconino.az.gov](mailto:countyroadsinfo@coconino.az.gov). Thank you.
