

# Coconino Connection for Advanced Manufacturing Sector Excellence

## BEST PRACTICES

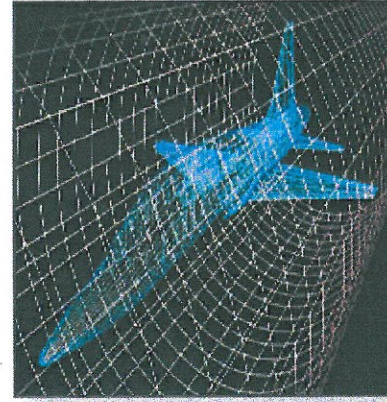

**Broad Based Collaboration between Economic and Workforce Development**

- STRATEGY
- Innovation Summit
  - Identify Emerging Manufacturers
  - Identifying STEM Impact within Manufacturing
  - Participate in Chamber of Commerce Round-Tables

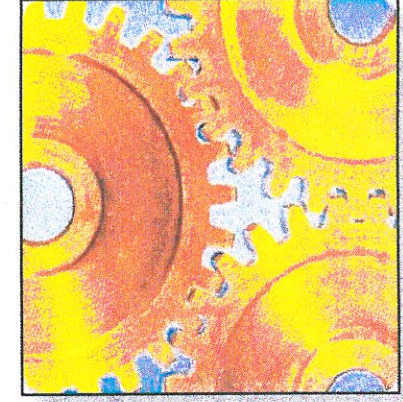

**Developing strong ties with individual employers across the Manufacturing Sector**

- ACTION
- Identifying Sector Scope
  - Addressing Cross Sector Needs and Resources
  - Customizing Industry Specific Training
  - Incorporating ACA Sector Strategy Initiatives

**Directly impacting the emerging workforce by developing a new vision**

- RE-BRAND
- Re-Branding Advanced Manufacturing for Youth
  - Upscaling the Image of Manufacturing Careers
  - Youth Workforce Pipeline
  - Long Term Sustainable Educational Plans

**Identifying and addressing workforce needs across the Manufacturing Sector**

- OPTIMIZE
- Investment in Incumbent 'Capacity Building'
  - On-the-Job Training and Internships to Enhance Experience
  - Attainment of Industry Requisite Skills through College Certifications

Best Practices have been identified through the impact of providing hands-on skills, targeted industry specific trainings, and workforce assistance which empowers our leading organizations.

This initiative is sponsored by the Federal Department of Labor to support the success of Advanced Manufacturers.

Join the **Coconino County Career Center** for this '**employer driven**' discussion.

For more information on this initiative and best practices, contact Cindy Wilson CWDP at [cwilson@coconino.az.gov](mailto:cwilson@coconino.az.gov).
